Tournament Mileage, Hotels and Per Diem for Coaches

Soccer events outside the local area (i.e. Region I Champions League games; CCL matches > 60 miles from Robinson SS; and out of town tournaments) require that teams provide the coach with mileage compensation, per diem and/or hotel accommodations. Below are the standards set forth by BRYC Elite Academy.

- Hotels (Tournaments, CCL weekends or RCL matches*): In addition to the team's accommodations, the team will book the coach's room for the event. The cost for room and tax is to be paid directly by the team. When possible, BRYC staff coaches will room in pairs. If said staff coach is coaching 2 or more teams during the event the costs will be shared equally amongst the teams. Team hotel coordinators will work together to determine which team will book the room.

  *RCL Matches: A coach may request housing for the night before an RCL match, providing the match is AT LEAST 125 miles from Robinson SS AND the game start time is 1pm or earlier.

- Per Diem: BRYC Elite Soccer team is responsible for payment of per diem ($35 per coach per day) for a minimum of ONE and a maximum of TWO coaches per out-of-town event. If there are two coaches traveling with an individual team, which is permissible and sometimes suggested in the event of a sending-off or illness/injury, the team manager must be notified prior to the event and be agreeable to the additional team costs (up to approx $2 per day per player). In the event that multiple BRYC Elite Soccer teams are traveling to an out-of-town tournament, each team is responsible for payment of ONE coach and/or a possible a 'share' of the per diem depending on the number of BRYC staff in attendance: e.g. 2 x BRYC teams with one coach = 1/2 share of per diem costs, 3 x BRYC teams with 2 coaches = 2/3 of per diem costs, 3 BRYC teams with 4 coaches = 1 & 1/3 or per diem costs.

- Mileage: Within 5 business days of completion of the tournament, the coach will submit to the team manager a request for mileage reimbursement. Allowable mileage includes: distance to/from home to hotel and mileage to/from hotel to fields. Mileage rate is $.56 per mile. BRYC Elite Academy has set a mileage cap of up to $500 per event.
